

Theory to Practice as a Cognitive, Educational and Social Challenge

15-16 June 2019, Mitrovica, Kosovo

Dear authors,

University of Pristina, with 11 partners under the ERASMUS+ Capacity Building Program, is organizing the *Scientific International Conference 2020* (<https://t2p-conference.org/>) entitled *Theory to Practice as a Cognitive, Educational and Social Challenge*. The conference is supported by the European Union.

On behalf of the Organizing Committee, you are kindly invited to attend the Conference, which will be held on June 15th – 16th, 2020 at the International Business College Mitrovica (IBC-M) in Mitrovica, Kosovo. The official language of the conference is English.

We would appreciate if you can present on June 15th, 2020 your project in which you are engaged recently, on one of the following topics:

1. Educational theory and practice

- Pedagogical, educational, and teaching theory
- Policies on education, orientation, and structures of education
- Curriculum, supportive and teaching materials

2. Science and research

Collaborative and holistic approaches to:

- Innovative technologies and propositions, good practices
- Environment (ecology, chemistry, chemical technology, biology, physics, math, geography, agriculture zoology, mechanical engineering, metallurgy, philosophy, integrative bioethics, etc. and finding the solutions to the actual environmental issues of today)
- Math and life sciences
- Social sciences
- Sustainable agriculture

3. Social practice and development

- Local authority, citizen's services, participation
- Business management and society
- Entrepreneurship and corporate innovation
- Small business
- Global and International perspective
- Tourism
- Industry
- Manufacturing

4. Human resource management

- New theoretical and practical perspectives on human resource management

5. Information and Strategy

Theory to Practice as a Cognitive, Educational and Social Challenge

15-16 June 2019, Mitrovica, Kosovo

- E-business
- Benefits of information systems
- Globalization and information systems
- Small, medium enterprise and information systems
- Public administration (policies and regulations).

In addition, you are invited to submit abstract for presentation in workshops, which will be held on June 16th, 2020. The topics are:

1. Theoretical approaches to interdisciplinarity,
2. Social practice and development.

Authors are asked to submit the title and abstract of up to 250 words by the deadline of February 15th, 2020. The abstract can be submitted through the conference website: <https://t2p-conference.org/> or directly to the conference e-mail: conference@t2p-conference.org.

Authors will be contacted by March 15th, 2020 if their submitted abstract has been accepted.

Full papers limited to 10 pages should be submitted by May 1st, 2020. All papers will be published in the proceedings book. The best papers selected by the organizers after peer review will also be recommended for the potential publication on conference supported scientific journals.

We look forward to your participation in our international scientific conference.

Sincerely yours,

Organizing Committee
